Subject: Conference call with AGC

David,

I relayed your suggestion for a conference call with EPA, the State and AGC for the week of September 10. At this time, the Agencies prefer not to hold a call that week. Rather, we propose a conference call on September 19 with EPA, the State, the Counties, and AGC. The agencies intend, prior to that date, to provide comments to the Counties on the

recent drafts of the MOU. We intend to make those comments available in sufficient time for a September 19 call. We have currently scheduled the call for 1:00.

Please let us know if that date and time are acceptable to AGC. I will be out of the office until Wednesday September 5. If you wish to discuss this matter before then, please contact Mony Chabria of the Office of Regional Counsel at (312) 886-6842.
